

Jamf Enrolment Steps

1	Backup iPad
Q	How to I backup my child's iPad?
A	Go to Setting > Apple ID > iCloud > iCloud Backup > Turn on iPad Backup It's good practice to set these backups to schedule automatically. If you don't have enough storage, you can choose to purchase addition storage \$1:49 a month or download Microsoft Drive & upload your child's photos to this iCloud storage.
2	Sign out of my Apple ID
Q	How to sign out of my Apple ID
A	Go to Settings > Apple ID > Scroll down to the bottom > Sign Out > Enter your password If you are unable to sign out, you have enabled Family Sharing. To remove Go to Settings > Apple ID > Family Sharing. Tap [member's name], then tap Remove [member's name] from Family. Once Jamf has been installed, you can reenable Family Sharing
3	Erase All Content and Settings
Q	How do I 'Erase All Content and Settings'
A	Go to General > Scroll to the bottom > Transfer or Reset iPhone > Erase All Content and Settings
